

Teachings for a lifetime begin here...

Deciding where your child will go to school is one of the most important decisions you will ever make. Parents know intuitively that schools have a big impact on their children, not only academically, but socially, emotionally and spiritually. In fact, your child will spend one quarter of their waking hours in school during their educational years.

At Redeemer Christian Academy, our mission is to partner with you to reinforce and build on the same Biblically based values you strive to instill in your child at home. We understand that, now more than ever, it is a battle to counter the non-Christian messages that the world is sending. The only way we can do that as parents and educators is to daily plant the Word of God in these children.

It is a privilege to share why Redeemer Christian Academy is so unique: Our mission is to equip students for their journey on the road through this life to eternal life with God through

Teachings for a LIFETIME: Learning, Integrity, Faith, and Excellence

While no school can guarantee that your child will not have disappointments, failures, peer struggles, and normal childhood and adolescent challenges, what we **can** guarantee is that as your child goes through the normal challenges of growing up:

-  They can expect to be truly known at Redeemer — not just by their name, but by their nature — who they are and what gifts God has given them.
-  They can also expect to be challenged — intellectually, socially and physically — in a host of ways and in a range of arenas.
-  Finally, we expect that they will be inspired by the example and energy of the teachers (a truly dedicated group), classmates (who become life-long friends), and an entire community devoted to helping them utilize their God-given gifts to the best of their ability.

As one parent stated, “Redeemer has a solid core of Christian teachers. The teachers interact well with each other, and show a great love for Christ in their teaching. My son has developed not only academically, but also as a strong Christian. Redeemer was the best place I could have sent my son to prepare him for high school and life.”

If you're looking for your child to reach his/her potential in a school committed to nurturing **teachings for a LIFETIME: Learning, Integrity, Faith, and Excellence** then you need look no further than Redeemer Christian Academy.

Blessings,
